RED TEAM FAMILIARIZATION

UNDERSTANDING ADVERSARY MINDSETS

Level: Graduate

Duration: 5 Days

Format: Facilitated Classroom Lessons / Lab Sessions

The Red Team Familiarization Course is an intensive five-day program designed to provide military professionals with a deep understanding of adversary doctrines, tactics, and strategic worldviews. By adopting the perspective of potential adversaries, participants will enhance their strategic readiness and decision-making capabilities.

Through engaging lectures, hands-on exercises, and a culminating simulation, attendees will gain the tools needed to anticipate and counter diverse threats in complex operational environments.

WHY THIS COURSE IS ESSENTIAL FOR YOUR TEAM

✓ Enhanced Strategic Readiness: Gain a comprehensive understanding of adversary tactics, capabilities, and cultural influences to anticipate and counter threats effectively.

✓ Improved Decision-Making: Equip your team with Red Teaming methodologies to identify vulnerabilities and refine operational strategies.

✓ Hands-On Application: Develop actionable insights through practical exercises and a culminating crisis simulation.

COURSE OVERVIEW

- Day 1: Introduction to Red Teaming and Opposition Overview

  - Learn the fundamentals of Red Teaming and its role in military planning.
  - Analyze the strategic goals of adversaries.

- Day 2: Doctrines, Goals, and Worldview

  - Explore the political and cultural worldviews shaping adversary strategies.
  - Delve into military doctrines across land, naval, air, and subsurface domains.

- Day 3: Tactical and Operational Considerations

  - Examine domain-specific tactics and irregular warfare approaches.
  - Develop a Red Team analysis report on a selected tactical domain.

- Day 4: Weapons and Ordnance Familiarization

  - Understand the key weapons systems and platforms of adversaries.
  - Conduct comparative analysis of ordnance capabilities and supply chain vulnerabilities.

- Day 5: Culminating Simulation and Final Assessments

  - Participate in a crisis simulation representing adversaries in a geopolitical conflict.
  - Submit a comprehensive Red Team Assessment report and discuss key takeaways.

LEARNING OBJECTIVES

✓ Master Red Teaming techniques to analyze adversary strategies and tactics.

✓ Understand adversary doctrines, cultural influences, and operational capabilities.

✓ Develop actionable plans to counter adversary threats in diverse scenarios.

✓ Enhance strategic planning through scenario-based exercises and simulations.

WHO SHOULD ATTEND

This course is ideal for professionals and leaders involved in:

✓ Military Planners: Focused on operational and strategic planning.

✓ Intelligence Officers: Analyzing adversary capabilities and intentions.

✓ Operational Commanders: Enhancing decision-making in conflict scenarios.

✓ Defense Decision-Makers: Strengthening readiness for complex geopolitical threats.

WHAT YOUR TEAM WILL GAIN

✓ Strategic Insights: In-depth knowledge of adversary doctrines and tactics.

✓ Practical Skills: Hands-on experience in Red Teaming exercises and simulations.

✓ Comprehensive Analysis Tools: Frameworks and templates for strategic assessment.

✓ Enhanced Collaboration: Improved ability to work across domains and teams.

Join Us Today to Equip Your Team with the Skills to Outmaneuver any Adversary!

Don't miss the opportunity to help your team in transforming their strategic planning and operational readiness.
